

## Lasting gifts to our church

At St Mary's we will use legacies for the most appropriate projects at the time.

This could include:

- Upkeep and development of our buildings
- Supporting our mission to our community

We would liaise with family to ensure the

donation is used in line with the donors wishes and will complement the church's needs at the time.

St Mary's has served the local community as a place of worship for many hundreds of years. Your legacy will ensure it continues to do so for generations to come.

How you can make a  
**lasting difference**  
to the work of  
**your Church**

**Parish of St. Mary's,**  
**Eversley**

Our Vision is founded upon the belief that 'The church is called to present the unchanging Gospel to an ever-changing world. We are on a journey with God empowered by the Holy Spirit to encourage and equip others to journey with us in the discovery of faith and love.'

This is an exciting time for us. Many wonderful things are taking root in St Mary's. More people of all ages are worshipping with us regularly, we are extending our styles of worship and our children's ministry is flourishing.

To keep growing God's kingdom in the Parish of St Mary's, Eversley, we need people's time and money. A gift in your will would be a splendid way to continue your generosity to our living, developing church.

**The Revd. Mike Saunders**  
Rector, St Mary's, Eversley

## Your Will Matters

---

- Thinking about life after death should not be difficult for Christians! Make sure you are prepared practically as well as spiritually. Whatever your age, write a will and keep it up to date.
- Without a will, your loved ones could face a lot of trouble, work and expense after your death. Without a will, a court could decide how to distribute your goods and who should look after your children.
- Many Christians give regularly and proportionately from their income. Why not give proportionately from your estate too?
- A gift in your will helps our church to live out our dreams and mission in this community.
- It's a way to thank God for all the gifts of our lifetime, and to hand on the legacy we've received from past Christians (our building, our faith) to future generations.
- Leaving a gift in your will is tax efficient and can reduce the amount of inheritance tax you pay.
- If you already have a will please speak to your solicitor about adding a codicil.

## The Parish Legacy Policy

---

We welcome all legacies, however large or small, and we promise to use your gift to make a difference in our parish.

The policy of the PCC is to use legacies to help fund significant development projects in the parish, whether buildings, equipment or staff. Since circumstances change over the years, church members are encouraged to leave gifts in their wills for the general purposes of the parish. The PCC will therefore discuss with executors the most appropriate use of the gift in the light of current projects and the donor's known areas of interest in the church (e.g. children and youth, music, buildings).

### Suggested wording to leave a gift in your will:

"I give \_\_\_\_% of my residuary estate free of all taxes to the Parochial Church Council of the Parish of St Mary's, Eversley in the Diocese of Winchester for its general purposes, and I declare that the receipt of an officer of the Council shall be a sufficient discharge to my executors and trustees."

**We strongly advise you to see an independent solicitor when writing or amending your will.**
