

THIS WEEK I LEARNED...

This week I learned the story of Gideon and how he listened to God. His faith and obedience inspired others to follow and trust in God.

Judges 6&7

MEMORY VERSE:

"Fear thou not; for I am with thee; be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea." Isaiah 41:10a

QUESTIONS TO ASK:

Who found Gideon hiding? (an angel)

How many men did God use to defeat the Midianites?

Can God use you even though you're small?

FAMILY FUN: This week we learned about Gideon and what happens when we listen to God (even when we're afraid). Discuss as a family ways that God worked situations out for your family in the past. Write down worries or concerns each member of your family has right now. Put them in a box and pray about them. Open the box in a month and see how God has answered your prayers!
